RE: Spring Dividend

Dear Cape Fox Shareholder Tináa Trust Beneficiaries,

We regret to inform everyone that there will be a 24-hour delay of the distribution of the second 2021 Spring dividend. The 2021 Spring dividend was decided by the Cape Fox Shareholder Tináa Trust ("Trust") Trustees for \$10/trust unit. The distribution of this dividend for anyone who has elected direct deposit was Thursday, May 6th. However, due to technical issues with the banking system, these dividends will be delayed for distribution by 24 hours.

We apologize for the inconvenience this may cause anyone. We are working closely with the bank to ensure these dividends will be distributed on Friday, May 7th. It is the Trust's mission to care for all Beneficiaries, and we regret the delay.

Checks being mailed via USPS will still be sent on May 6th. Please be aware that any distribution checks mailed via USPS may take as many as 7 to 14 days to arrive at your mailing address. In the event Beneficiaries have lost or not received their check(s), Beneficiaries of the age of majority (18 years of age) and/or Custodians of Beneficiaries should contact Shareholder Services at shareholderservices@capefoxcorp.com or 907.225.5163 x428.

After taking into consideration the 24-hour distribution delay, if you have elected to receive your distributions by direct deposit, it can be one to two business days for distribution, depending upon your financial institution of choice. Shareholder Services strongly encourages all Beneficiaries to sign up for direct deposit. Beneficiaries can sign up for direct deposit distribution on www.mycapexfox.com. All Beneficiaries are recommended to visit www.mycapexfox.com to verify their information is correct. If you need to update your mailing address or direct deposit information, again, you can log into www.mycapexfox.com to do so.

Thank you,
